

Jazz Club Shut Up & Dance 1/19/12

-You need to have everything paid for in the office by Monday in order to receive your costumes for Costume Check. Please make sure you have gone to the office and taken care of your costumes and any outstanding balance. You will not receive anything until everything is paid for!

Costume Check

-Thursday Jan 26th is costume check for the Shut up & Dance Competition. I need everyone to be prepared for costume check. It is very hard to go back and redo costume checks for kids who were not prepared at the correct time. If you are not prepared you will receive a demerit.

-Please go thru your list and have everything with you. Everything needs to have your name on it. Large zip loc bags help organize. I can also see thru them, so kids do not have to pull everything out.

-Remember if you are not prepared you can receive a demerit for **EVERY** item missing! Please double check your bags!

Everyone

Please check and double check your bags. Any questions just ask. Please have everything with you! Thank you!! I know this can be a pain, but helps us be more prepared for our performances. I appreciate all your work and support to make us successful!

Shut Up & Dance

We are going to need help transporting our boxes

Reminder... Please remember that we do these competitions to learn to become better dancers. This is all a process. If one of us wins, we all win! We make each other better by dancing together! Please be a good sport...be happy for each other... and enjoy the weekend! It's great to win but there are much more important things to get out of this experience than winning. We sincerely hope you can all learn to do this! It will be one of the most valuable lessons you will ever learn here! Our goal this weekend is to do our best...If you do your best you WIN! (Moms, we could really use your help in teaching our dancers this important lesson!)

Awards

-You need to be completely ready to dance at your roll call time. Hair and makeup done, in costume.

Teachers do not have time to do your hair.

- Once you have had your roll call you must stay in the dressing room until your dances are done. We need to know where you are, and have time to walk through our numbers.

-You will only be allowed to leave the dressing room in your travel uniform, not in costume.

-You are required to be at awards in your entire travel uniform, unless otherwise stated. We know if you leave, please follow instructions.

- If you do not have your costume or are missing pieces you may not be allowed to perform please triple check your bags!

Roll Call Times:

Roll Call is 1 hour before your scheduled dance time. As soon as we have more specific times we will let you know. Thank you
