

Jazz Club 09-10 Plans

This was originally handed out 9/24/09

This is a list of required competitions, conventions, and performances that Jazz Club will be attending this year. Please understand that we may have other performances come up which are not yet scheduled. As soon as we know dates we will let you know. Remember that at least 2 weeks prior to any performance is mandatory. The more notice you give about conflicts the better off you will be! Please review these dates and understand the commitment that we all agreed to at the beginning of the year, we need every dancer to do her part in order for us to have success and a great year! Any questions please speak with Emily. emhoover3114@yahoo.com Thank You
